**Subject:** CES Environmental Services, Inc.- Houston, Texas; Region 6 Request for Consultation; AM Ceiling Increase over \$2M

Lisa - per our discussions, I am attaching a draft FS and the original CES AM and Enforcement attachment in preparation for the OSRE consultation on the site. I will forward the amended AM next week. R6 is requesting a ceiling increase over the original \$2M AM signed in August 2014.

Let me know if either of you need anything else. Thank you. susan
